

From June 3 to 5 2019, Montréal, Canada

4th International
Workshop on
Streptococcus suis

12th Annual
Symposium
of the CRIPA

Université
de Montréal

REGISTRATION BEFORE MARCH 31ST 2019

IDENTIFICATION (the fields with an asterisk * are obligatorily)

Name* First Name* Mr. Ms.
Professor Researcher Veterinarian Postdoc PhD-student MSc-student
Other: Institutional affiliation*
Professional address
City* State*
Country* Postal code* Email*

PARTICIPATION* (please select every session you will attend)

Date	Session	AM	PM	Lunch
June 3	4 th IWSs conferences			
June 4	4 th IWSs conferences			
	Joint meeting 4 th IWSs and 12 th CRIPA			
June 5	12 th CRIPA conferences			

SCHEDULE AT A GLANCE

June 3	4 th IWSs	June 4	4 th IWSs	June 5	12 th CRIPA
8:30	Emerging issues on virulence factors and molecular pathogenesis	8:45	The dilemma: how to evaluate virulence and protection?	8:30	Pathogenesis and Pathobiomic approaches
10:00	Coffee break & Poster session	10:15	Coffee break & Poster session	10:00	Coffee break & Poster session
10:45	Host-pathogen interactions	11:00	Creation of an international committee to standardize in vitro and in vivo approaches.	10:45	Biosecurity from diagnostic to control measures
12:30	Lunch & Poster session	12:00	Lunch & Poster session	12:15	Lunch & Poster session
14:00	<i>Streptococcus suis</i> human infections	13:15	Diagnostic & prevention	13:45	Microbiota management and host health: an alternative to dampen antibiotic resistance
15:30	Coffee break & Poster session	14:45	Coffee break & Poster session	15:15	Coffee break & Poster session
16:15	Antimicrobial resistance	15:30	Predisposing factors for disease	16:00	Vaccine and other strategies
17:30	End	17:00	End	17:00	End

KEEP IN MIND THAT ABSTRACTS ARE ALSO DUE BEFORE MARCH 31ST 2019
