

APPLICATION FORM FOR CRIPA'S SHORT-TERM FINANCIAL SUPPORT - M.Sc. OR Ph.D. STUDENTS

The 2019 form includes amendments to allow a trained manager of Equity, Diversity and Inclusion (EDI) management principles to select among the top candidates, the recipients of the scholarship in regard to the CRIPA's annual EDI objectives.

Section 1 - APPLICANT'S IDENTIFICATION (student)

Woman Men Other gender* Refuse to answer

Last Name:	First Name:	
Email:	Phone (office) :	ext.
Mailing address (institution):		

Responses are optionnal**

Aboriginal Visible minority

*In order to promote the inclusion of everyone in the CRIPA, the center adopts the Canadian passport nomenclature with regard to the sexual identity of individuals, so for persons who do not identify with either woman or men, it is possible to select "Other gender".

** Visible minorities are defined by the Canadian Employment Equity Act as "persons, other than Aboriginals, who are non-Caucasian in race or non-white in colour". The visible minority population consists mainly of the following groups: South Asian, Chinese, Black, Filipino, Latin American, Arab, Southeast Asian, West Asian, Korean and Japanese.

Section 2 - ACADEMIC INFORMATION

Master Doctorate Postdoctora fellow

Department:	Full-time status	
University ID code:	NIP FRQNT:	
Mailing address:		
Research director:	Email:	
	Phone (office):	ext.

	Phone (office) (1):	ext.
Codirecteur (2) :	Email (2):	
	Phone (office) (2):	ext.

Only students that are co-supervised by at least two CRIPA researchers are eligible.

Section 3 - GRANT REQUEST INFORMATION

3. b) Project Information (continued)

- ⇒ Identify the relevant collaborations with the project progress: researchers, laboratories or equipment sharing and clearly specify the role of every co-worker, by underlining the complementarity of collaborations with regard to the project progress.

- ⇒ Is this project multidisciplinary ?
Proove by indicating the concerned disciplines.

- ⇒ Do the outcomes of this project imply other CRIPA's program axes ?
Specify which one.

- ⇒ Can this project result in an application ?
Specify it.

3. c) Grant's validity period

Starting date:	Ending date:
----------------	--------------

Fill the section that describes your situation:

Grant for the beginning of studies

Specify the date of the student's inscription:

Specify the nature and amount of the financial support already obtained by the student:

Grant for the end of studies

Specify the date of the end of the studies:

Specify the motive for the extra time required:

Specify the final date of the report or the thesis submission. (the student makes a commitment to inform the CRIPA coordination desk of the effective submission):

PROCEDURE FOR APPLICATION

- 1 Send the complete **digital application** to your research director who, after joining a written approval, should transmit it to :
c.crost@umontreal.ca.
- 2 It is under your responsibility to also send a hard copy of your request to the CRIPA's coordination desk to the attention of:

Madame Cécile Crost
Faculté de médecine vétérinaire
3200, rue Sicotte, bureau 3115-4
Saint-Hyacinthe (Québec)
J2S 2M2

A complete application includes these three following documents:

1. Application form
2. Grades of the last diploma obtained (recent documents)
3. Curriculum vitae of the student

All completed requests will be considered by the evaluation committee, whose decision will be definitive and without appeal.
